## FEI Eventing Worldcup 2011: last stage in Normandy!

The impressive and gorgeous National Stud of Le Pin (Normandy, France) welcomes from 17th to 21st August 2011 the last leg of the FEI Eventing Worldcup 2011. After a first successful edition last year which ended with the victory of Emily Baldwin (GBR) and Drivetime, the organizing committee called Ustica, managed by Pierre Le Goupil, proposes the same schedule with 3 international classes: CIC1\*, CIC2\* and CIC3\*-W.

Le Grand Complet – as we call it since its creation in 1995 (and previously located in Martinvast, 150km further north till 2008) is the last event of the 2011 Eventing World Cup and will be a kind of final for the riders. After Kihikihi (NZL), Sydney (AUS), Chatsworth (GBR), Strzegom (POL), Minsk (BLR), Malmö (SWE), more than 200 riders among the best European ones will converge on Le Pin, just one week before the European Championships of Luhmühlen (GER).

The competition offers a new point of interest now that the official decision of hosting the cross country test of the 2014 WEG in Le Pin has been launched. This choice salutes the great works and efforts provided by the organizing team and the 200 volunteers.

For those who would be interested in attending the show, remember that you can ask us where and how to book hotels and B&B's. Apart from the competition, Le Pin offers many other touristic interests.
